G1	1930s	1930s	Employment		Working women	ali	nk	Canada	May's take on attitudes towards working women in the 30s: Women in the workforce was a neccessity whether single or in a partnerhisp; some resistance due to people in thinking women were taking lobs form men but most women limited to pink work like needlecrafts, restaurants, hotels. Men were almost always in a position of authority over the female workers. The reason there were more jobs in restaurants for women than male waiters wasn't due to equity, but because women were paid less, so it benefited the employer.	if there was a hostess under him she		24-36						инац георие.
